Catalog Effective Date:

This catalog is effective for all courses commencing from October 25, 2016 through October 25, 2017

Mission Statement:

The goal of our program here is to provide affordable training to enthusiastic individuals who are interested in working in the medical field. Our programs focus on entry-level training for those with or without any emergency medical background. This course is designed to train individuals who wish to become learn how to help in an emergency. The purpose of this course is to prepare the student to meet industry standards. Upon successfully completing the program, the student will have a basic understanding of how to help when needed.

The programs consist of a total of 1 to 16 hours, which includes classroom instruction and hands-on training, taught by a state-certified EMT or nurse or teacher. During that time, the student will receive classroom instruction via lectures, tests, videos and handouts. The student will also receive hands-on training on the individual skills required by the approving authority, taught by a certified EMT or higher, including any supplies needed required for the practical training.

At the end of their training, students will be given a final exam and to successfully complete the course will need a passing score of at least 80%.

Upon completion of the program, the student will receive a certificate of completion. CPR and More sufficiently supports the instructional needs of the student in order to pass the course, fulfills all current requirements to become certified.

This program fulfills the American Heart association and other organizations requirements for the course.

CPR and More is a private institution and is approved to operate by the Bureau of Private Postsecondary Education.

CPR and More does not offer a distance educational program. All instruction will be conducted at CPR and More.

CPR and More does not offer off-site instruction. Please note that we do not offer credit for prior experiential learning.

Occupation This Program Teaches:

Upon completion of this program, the student will receive a certificate of completion that is good for 2 years. There is no wage information as our certificate programs do not apply to 1 type of career.

Facilities and Equipment to Meet This Goal:

Upon successful enrollment, the student will be provided with a copy of the student textbook and study material. In addition, the student will receive handouts on the day of instruction regarding that particular topic. For practical training, we have four backboards, 4 sets of straps, four KED's, various splints, triangle bandages, triage tags, ten nonrebreathers, four O2 tanks, four O2 regulators, ten nasal cannulas, a gurney, four OB mannequins, four airway mannequins, and approximately twenty blood pressure cuffs with twenty stethoscopes, 25 adult and infant cpr manikins, 8 AED trainers, 1 ACLS/PALS monitor, 20 syringes, 1 adult and child full body manikin, 10 Advanced airway devices, 4 sets of basic airway devices, 4 projectors and dvd players. We have several videos designed to teach students how to identify emergency situations as well as PowerPoint instruction and practice dummies.

All books, study material and the course curriculum has been approved by the approving organization and is sufficient to support the instructional needs of the student in order to pass the course.

All equipment used at CPR and More is solely owned by CPR and More LLC.

The students will be educated by a certified teacher or Emergency Medical Technician with a current California license and at least five years' experience for the didactic and practical portions of the program.

All supplies used for practice will be provided to the student and are included in the fee of the program. It is required that the students show up and participate during the practical training portion of the program. Failure to do so may result in termination of the program.

The classroom portion of the program consists of a total of anywhere from 1 to 16 hours of instruction provided by a certified teacher or Emergency Medical Technician or other medical professional. During this time, the student will receive instruction via lectures, a training book, tests, videos and handouts.

Classes for the CPR and More are located at 11030 Arrow Rt. Suite 204, Rancho Cucamonga, CA 91730. This location also serves as the administrative office. Class times are Monday thru Saturday at 9am. Students must attend only 1 class unless they are unsuccessful. Class end times vary based on the individual course. The size of the office space is approx. 1000 square feet which includes an administrative office with sufficient audio/visual equipment to meet educational needs. The seating capacity is limited up to just 25 students. Chris Siska's office is located at 11030 Arrow Route, Suite 204, Rancho Cucamonga CA 91730, and he may be reached at this location when needed after making prior arrangements by the student. There is also a small library located within the administrative office in Upland as well as the Rancho Cucamonga office.

Restrooms: There are 2 restrooms – to be used for both men and women.

Student Services

Housing:

CPR and More does not have transportation or housing/dormitory services under its control. If you desire to stay within a motel near Rancho Cucamonga close to the school, there are several motels available. However, we do not offer assistance in finding housing and it is the solely the responsibility of the student in doing so. Listed below are examples of housing:

1. Best Western Plus Heritage Inn; 8179 Spruce Ave., Rancho Cucamonga, CA 91730; (866) 430-9014; \$79.20 per night.
2. Four Points by Sheraton, Ontario; 11960 Foothill Blvd., Rancho Cucamonga, CA 91739; (909) 204-6111; \$119.00 per night.

Library:

CPR and More has a library which is accessible to both staff and students. The library contains related books and periodicals available for student use, which serves as a resource for their educational needs. CPR and More subscribes to several related magazines and periodicals to keep students and staff current on any trends. We also have more than 20 instructional and educational videos available. Students may either review all videos and library material within the school or check out them out for review and study at home.

There are also libraries in the vicinity of the school in the Rancho Cucamonga area:

1. 12050 Cultural Center Drive, Rancho Cucamonga, CA 91730; (909) 47-2720
2. 7368 Archibald Ave., Rancho Cucamonga, CA 91730; (909) 477-2700

Previous education and training:

If the student wishes to challenge the theory portion of the class, they must bring in proof of content for previous training to be evaluated for similar content and coverage of topics. The training must have come from a recognized training course, approved by the Bureau for Private Postsecondary Education. If they meet the criteria, they will be given the final exam and must pass with at least 80%. If the student wishes to challenge the practical portion of the program, they need to bring documentation where they trained to be considered. In addition, they must, without assistance, completely pass all skill requirements. CPR and More has not entered into an articulation or transfer agreement with any other college or university.

Job placement:

CPR and More does provide job placement assistance. We encourage students upon completion of the program to actively apply for a job as soon as possible to as many companies in your area to successfully find a job.

Classes are conducted in English:

All instruction and tests given will be done in English. The student should expect that any state approved national exam will also be given in English. All students entering the program should be able speak, read and write in English. The student upon enrollment here will be given an English proficiency exam. If the student does not pass the English proficiency exam with at least an 80%, they will not be enrolled.

Accreditation

CPR and More is not accredited by an accrediting agency. The student will not be eligible for federal financial aid programs.

Requirements for admission:

To be eligible for enrollment into our courses, you do not need to have any previous experience. You may enroll in the course at any time, even if you have not yet meet all of the requirements.

The following are the minimum eligibility requirements you must meet before you start the course:

1. Age requirement: You must be at least 9 years old. If you are not yet 18 years old, you may enroll in the course with a parent or guardian.
2. For Renewal classes you will need to show proof of previous training.
3. A form of photo identification (such as a driver's license or passport).
4. Must be able to read, speak, and understand English.
5. Successfully pass the English proficiency entrance exam with an 80%. If Applicable.

Requirements for Licensure:

CPR and More's programs do not offer licensure.

Certification and Recertification:

Certification as an is valid for two years throughout the United States. Each certification card will indicate an expiration date. It is the responsibility of the student recertify before this two-year period has ended. In order to recertify, students must successfully complete a new course.

Should the student fail to recertify before the expiration date, the student must take the entire primary training program again.

Background Checks:

Background checks will not be performed for our programs.

Attendance Policy:

All students must meet the minimum number of hours based on state protocols. If any student fails to meet the minimum, they will be put into the next class at no cost to them. A refund will not be issued. Due to the speed at which the class progresses and the tests that must be passed. A student may not miss the final exam.

It is important for the student to arrive to class on time and ready for instruction. Tardiness is disruptive to the other students as well as the instructor and will not be tolerated. Arriving to class later than ten minutes is considered tardy.

Probation, Drop Out, Re-admittance, Leave of Absence and/or Suspension:

Students may be placed on suspension or dropped from the program as appropriate for any of the following reasons:

1. Nonpayment of services, as provided by law.
2. Nonattendance, excessive tardiness, excessive absences. All students are required to attend the required to attend the required number of hours for the course they are attending. Excessive absences is defined as missing more than two days of class (If applicable). If a student misses more than two classes, they will be removed from the program and start the program over with the next class. Excessive tardiness is defined as missing more than 30 minutes due to tardiness or leaving early from class without prior arrangements to make up the time.
3. Unacceptable behavior which endangers others (students, patients, clinical staff, school instructors) will result in the student being dropped if not corrected (based on severity, a first offense may result in removal or being dropped from the program).
4. Cheating: If a student is caught cheating, lying, providing falsified information, or providing care that is outside their scope of practice, they will be removed from class and not issued a refund. They will not be allowed to take any other course with CPR and More.
5. Academic Standards: If a student fails to pass their required tests, then they will be removed from the course. They will be allowed to join the next class for a fee of an equivalent amount.

The student may be given probation for a period of time following disciplinary action for a period as determined by the director here at CPR and More. During that time, any further inappropriate action by the student can be cause for dismissal from the program, as determined by the director. If the student is suspended, the student will not be permitted to continue the program until the situation is corrected. CPR and More will review each situation on a case-by-case basis.

Re-admittance is handled on a case-by-case situation, dependent upon the reason for leaving. The discretion upon re-admittance will be determined by the director of CPR and More on a case-by-case basis.

In cases where a student requests a leave of absence, a student may request, in writing, a leave of absence, which should include the date the student anticipates the leave to begin and end. The student will be considered withdrawn from the program if they do not return on the scheduled day from their leave of absence. The student upon their return will be placed in the next class based on the leave needed.

Academic Standards:

The programs vary in length. The students will be given a series of tests (excluding the final test). An 80% score is considered passing for each test. Each test will be reviewed after scoring the results with the class and feedback will be given regarding wrongly answered questions. Any student who does not achieve an 80% will be referred to the program director for academic review. At that time, an attempt to ascertain the cause of the poor scores will ensue. Afterwards, a plan will be drawn up with the director and the student in ways to improve their scores. If the student continues to fall below an 80% average without showing any noticeable improvement, they could be subject to suspension and/or dismissal from the program, at the director's discretion.

The final test will have 25 questions and in order for the student to pass, you must answer 21 questions (80%) correctly.

Program Fee:

The cost of the program is \$ _____. This price includes administrative and registration fees, lectures, books and handouts, school materials (the supplies provided during practical training), a certificate of completion, a name badge, CPR certification, malpractice insurance, and training with an ambulance crew. The following is the breakdown of the fees:

1. Tuition (classroom instruction only): \$ _____.
2. Administrative and registration fees: \$ _____ (nonrefundable once enrolled into the program).
3. Miscellaneous expenses: \$ _____; Books: \$ _____ (nonrefundable once issued). Handouts/study guides: \$ _____ (nonrefundable once issued). Name badge: \$ _____ (nonrefundable once issued). CPR certification: \$ _____ (nonrefundable once issued). Malpractice insurance: \$ _____ (nonrefundable once issued). Certificate of Program Completion: \$ _____ (nonrefundable once issued). Student Tuition Recovery Fund Fee: \$ _____ (non-refundable).

Payment may be made in cash, check, or credit card. Upon the complete discretion and approval of the clinical director, the amount deposited and the total cost of the program may be arranged with the student. CPR and More does not participate in any state or federally backed financial assistance or any other form of financial aid.

If the student obtains a loan, the student will have to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student receives federal student financial aid funds, the student is entitled to a refund of the money not paid from federal financial aid funds. Please note that this institution does not participate in any federal or state financial aid programs.

Refund/Tuition Reimbursement Policy: A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or on the seventh day after enrollment, whichever is later. In addition, you have the right to cancel or withdrawal from the class at any point you like. If you do so before you have reached 60% of the class, a refund will be issued based on the daily charge for the program total institutional charge, divided by the number of days in the program, multiplied by the number of days student attended, or was scheduled to attend, prior to withdrawal, minus an administrative fee not to exceed an amount of \$150 and the cost of materials given to you. The total not to exceed the amount the student has paid. You will be required to return all material that has been provided to you. If any materials have been damaged, there will be a charge for those items along with the administrative fee. The fees refunded will be calculated by the amount owed for the program divided by the number of days in the program, multiplied by the number of days student attended, or was scheduled to attend, prior to withdrawal.

The amount of the refund will depend upon all nonrefundable materials provided to the student or any services, such as CPR training. If the student has made prior arrangements for a deposit for future services such as CPR training but had not received such services, all money will be refunded to the student. If the student receives federal student financial aid funds, the student is entitled to a refund of the money not paid from federal financial aid funds.

If the student defaults on a federal or state loan, both the following may occur:

The federal or state government or a loan guarantee agency may take action against the student, including garnishing an income take refund; and

1. The student may not be eligible for any other government financial assistance at another institution until the loan is repaid.

All refunds will be paid within 30 days of withdrawing from the program. The student must submit in writing any and all requests for withdrawing from the program and present the request to staff member from CPR and More. You must submit in writing if you want to cancel training; you cannot cancel by telephone. An applicant rejected by the school is entitled to a refund of all monies paid.

If the student obtains a loan, the student will have to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student receives federal student financial aid funds, the student is entitled to a refund of the money not paid from federal financial aid funds.

Initial _____ : **STUDENT'S RIGHT TO CANCEL:** **The student has the right to cancel and obtain a refund of charges paid through attendance at the first-class session, or the seventh day after enrollment, whichever is later.**

The date by which the student must exercise his or her right to cancel or withdraw: _____.

If after paying the entire \$ _____ for the Program and the student has failed the final exam, the student will be refunded any money paid for extra services paid for but had not received, such as CPR training, etc. All refunds will be paid within 30 days of withdrawing from the program. The student must submit in writing any and all requests for withdrawing from the program and present the request to the educational director. You must submit in writing if you want to cancel training; you cannot cancel by telephone. Student termination from the program or abandonment (not showing up for classes) for 2 days from the program are also considered mandatory withdrawing from the program and are subject to the above-mentioned refund table. An applicant rejected by the school is entitled to a refund of all monies paid. If the student obtains a loan, the student will have to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student receives federal student financial aid funds, the student is entitled to a refund of the money not paid from federal financial aid funds.

Student Tuition Recovery Fund (STRF): "The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program."

"It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, (916) 431-6959 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.”

Retention of Student Records:

Chris Siska will be the custodian of records for CPR and More. His office is at 11030 Arrow Rt. Suite 204, Rancho Cucamonga, CA 91730. Phone number is 909-996-9906 Email:chris@cprnmore.com

CPR and More shall maintain all records required as required by law.

CPR and More will permanently retain a transcript and all administrative and financial documents as required and maintain them for a period of 5 years from the student's date of completion or withdrawal.

CPR and More will maintain records relating to federal financial aid if/when federal financial aid is accepted.

All records are considered current for three years following a student's completion or withdrawal. All records will be stored on paper in a locked file cabinet and or climate-controlled room with a lock. This will serve to make sure that the records will be able to be reproduced all documents without loss of information or legibility. The academic and financial files for each student will be kept together in 1 file.

For a record that is current, CPR and More will maintain functioning devices such as high-quality printers and flash drives/computers, that can immediately reproduce exact, legible printed copies of stored records. The devices shall be stored in CPR and More’s corporate office at 11030 Arrow Rt. Suite 204, Rancho Cucamonga, CA 91730 where the files For a record that is no longer current, CPR and More shall be able to reproduce exact, legible printed copies within two (2) business days.

CPR and More has personnel scheduled to be present at all times during normal business hours who know how to operate the devices and can explain the operation of the devices to any person authorized by the Act to inspect and copy records; and

Any person authorized to inspect and copy records shall be given immediate access to the document reproduction devices for the purpose of inspecting and copying stored records and shall, upon request, reimburse the institution for the reasonable cost of using the institution's equipment and material to make copies at a rate not to exceed ten cents (\$0.10) per page.

A 2nd set of academic and financial records will be kept on a flash drive with password protection. This flash drive will be kept in a fire-resistant cabinet and be protected by lock and key in our corporate offices.

All records that CPR and More is required to maintain shall be made immediately available by the institution for inspection and copying during normal business hours by the Bureau and any entity authorized to conduct investigations.

Physical Assault/Sexual Assault/Sexual Abuse/Sexual Harassment Policy:

CPR and More has a strict no-tolerance policy regarding physical assault, sexual assault, sexual abuse, and sexual harassment. Any suspected cases will be reviewed by the clinical director which may result in the possible suspension or termination of any student or staff member who have been found to have violated this policy. If you feel you have been a victim of an assault or harassment, immediately contact either a teacher or the clinical director to report the incident. If the situation warrants police intervention, the proper authorities will be notified for an investigation.

Code of Conduct:

Students are expected to observe all school rules and regulations as well as mutually respect all students and staff members. Failure to observe any of the school rules or regulations, or failure to show mutual respect to others could lead to suspension and/or expulsion, at the discretion of the clinical director. Each student will be expected to dress appropriately to class. The student will not be allowed to class with half-shirts, tank tops, or any other clothing

which may be distracting or disruptive to other students. This will be up to the discretion of both the teaching staff and the clinical director. Students will be expected to wear long pants held up with a belt and a collared shirt while attending class. During all parts of the course, students will wear closed-toe shoes with a heel. No sandals or heels will be allowed.

Confidentiality Agreement:

Upon enrollment, the student is expected to observe confidentiality of the entire curriculum used here at CPR and More. In addition, the student understands that it is their legal obligation to observe to the confidentiality of any and all patient information that they may receive during the course of their education and training. Finally, the student agrees to maintain the confidentiality of any personal, privileged, or proprietary information regarding CPR and More and its affiliate training facilities received during the course of their education and training. By enrolling here, the student agrees to abide by this confidentiality agreement to the letter and intent of this agreement.

Notice of Transferability of Credits/Credentials Received at CPR and More:

The transferability of credits you earn at CPR and More is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the certificate you earn is also at the complete discretion of the institution to which you may seek to transfer. If the certificate that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason, you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending CPR and More to determine if your certificate will transfer. This institution has not entered into an articulation or transfer agreement with any other college or university.

Notice of Student Rights/Grievance Procedure:

AS A PROSPECTIVE STUDENT, YOU ARE ENCOURAGED TO REVIEW THIS CATALOG PRIOR TO SIGNING AN ENROLLMENT AGREEMENT. YOU ARE ALSO ENCOURAGED TO REVIEW THE SCHOOL PERFORMANCE FACT SHEET, WHICH MUST BE PROVIDED TO YOU PRIOR TO SIGNING AN ENROLLMENT AGREEMENT.

A student has the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first-class session, or on the seventh day after enrollment, whichever is later (refer to the **Refund/Tuition Reimbursement Policy on page 7 for details**); for any questions regarding a refund, contact a school official for details. If the school closes before you graduate or complete the course instruction, you may be entitled to a refund (refer to the **Student Tuition Recovery Fund on pages 6-7 for details as well as for the contact information**); for any questions, contact a school official for details.

Any complaint lodged by a student, employee, or independent contractor must either be brought to the attention of an instructor or the clinical director verbally or they may prefer to fill out a complaint form found in the office of the clinical director. Any complaints brought to the attention of the director will not result in any reprisals or threats. It is presumed that anyone lodging a complaint is doing so in good faith. The school will take all the necessary steps to keep confidential both the identity of person making the complaint as well as the complaint. Once the complaint has been lodged by someone, the clinical director will investigate the complaint. The clinical director has ten working days after receiving the complaint to find resolution of the complaint with the individual who filed the complaint. They will then be informed of the findings and any actions if any taken by CPR and More. If the complaint is rejected, the reason for the rejection will be provided in writing.

If however they feel the complaint has not been addressed to their satisfaction or they have questions that cannot be answered the staff at CPR and More, they may contact the Bureau for Private Postsecondary Education.

A student or any member of the public may file a complaint about this institution with the Bureau for Private Postsecondary Education by calling (888) 370-7589 toll-free or by completing a complaint form, which can be obtained on the bureau's internet website www.bppe.ca.gov.

The student, employee, or independent contractor's participation in the complaint procedure and the disposition of the complaint will not waive or limit any of their rights or remedies.

Any questions a student may have regarding this catalog that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 2535 Capitol Oaks Drive, Suite 400, Sacramento CA 95833, www.bppe.ca.gov, toll-free telephone number (888) 370-7589 or by fax (916) 263-1897.

Disclaimer:

CPR and More has no pending petition in bankruptcy, is not operating as a debtor in possession, has not filed a petition with the preceding five years, or has not had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code (11 U.S.C. Sec. 1101 et seq). In addition, CPR and More does not take any credits from other schools, colleges, or universities for transfer. The education you receive here may or may not be transferable to another educational center; it is strictly up to their discretion whether or not to accept the education received here as transferable. Note that all instruction will be English.

Beginning and Ending Dates:

The start date and scheduled completion date of the class will be from _____ to _____. The beginning is defined as the first day of class. The schedule completion date is defined as when the student takes the final exam.

Faculty:

Chris Siska, EMT: Mr. Siska has been trained as a CPR instructor through Always CPR with three 8-hour instructor courses, and has been monitored as an instructor three times for a total of 12 hours. Additionally, he has taken 16 hours of training as a CPR instructor through CPR Success (located in Montclair, CA) with 8 hours of instructor monitoring. As a CPR instructor with over five and a half years experience, Mr. Siska has trained over 10,000 people how to perform CPR. Mr. Siska also has ten years experience as an EMT-B in the State of California and previously worked as a firefighter for the County of Riverside.

- EMT-Basic (Los Angeles County) (State of CA) E017889, expires 03/31/2017
- AHA CPR Instructor (Always CPR) 10102093129, expires 04/2018

Jennifer Dehoog EMT-B: Jennifer had worked with American Medical Response Ambulance Company for three years and has worked as a CPR instructor for one year. She began here as an EMT instructor January 2016.

Nancy Siska, RN: Ms. Siska has worked for the past 20 years as a Registered Nurse, both in and out of hospitals and nursing homes, and as a home health nurse. For the past ten years, she has worked for Big Bear Valley Hospital as an RN and currently serves as Head of Nursing there.

Other instructors that meet the minimum requirements may be added at a later time.

Description of Programs**ACLS Initial and Renewal**

The ACLS course is designed for those who either direct or participate in the management of cardio pulmonary arrest or other cardiovascular emergencies. Through didactic instruction and active participation in simulated cases, students will enhance their skills in the recognition and intervention of cardiopulmonary arrest, immediate post-cardiac arrest, acute arrhythmia, stroke and acute coronary syndromes. The course requires a minimum of 6 hours of classroom time.

This course is lectured in a classroom setting but will also use scenarios to simulate more realistic environments and videos to enhance knowledge.

To earn a course completion certificate a student must pass a written exam with an 80% or better.

The program is based on the American Heart Association's ACLS course and uses their program manuals.

PALS Initial and Renewal

The PALS course is designed for those who either direct or participate in the management of respirator and/or cardiovascular emergencies and cardiopulmonary arrest in pediatric patients. Pre-course preparation, didactic instruction, and active participation in the skills stations and simulated cases will be used to enhance the recognition and intervention of respiratory emergencies, shock, and cardiopulmonary arrest. The course requires a minimum of 6 hours of classroom time.

This course is lectured in a classroom setting but will also use scenarios to simulate more realistic environments and videos to enhance knowledge.

To earn a course completion certificate a student must pass a written exam with an 80% or better.

The program is based on the American Heart Association's PALS course and uses their program manuals.

BLS-Basic Life Support CPR

The BLS CPR course is designed for those caring for patients both in and out of the hospital setting. The objectives of the course include learning the chain of survival, recognizing the signs of someone needing CPR, perform high quality CPR and assisting a victim who is choking.

The course requires a minimum of 3 hours of classroom time.

This course is lectured in a classroom setting but will also use scenarios to simulate more realistic environments and videos to enhance knowledge.

To earn a course completion certificate a student must pass a written exam with an 80% or better.

The program is based on the American Heart Association's BLS CPR course and uses their program manuals.

Basic CPR

The Basic CPR course is designed to enhance a student's knowledge in preparing to provide CPR or AED use in a safe, timely and effective manner. This course will cover adult, child and infant CPR along with how to properly assess and treat a patient who is choking.

The course requires a minimum of 2 hours of classroom time.

This course is lectured in a classroom setting but will also use scenarios to simulate more realistic environments and videos to enhance knowledge.

To earn a course completion certificate a student must pass a written exam with an 80% or better.

The program is based on the American Heart Association's Basic CPR course and uses their program manuals.

First Aid

The First Aid course is designed to enhance a student's knowledge. This course covers topics such as bleeding control, strokes, seizures, heat and cold emergencies, allergic reactions, diabetic emergencies, bites and stings, burns, heart attack, breathing emergencies and electrocution.

The course requires a minimum of 1.5 hours of classroom time.

This course is lectured in a classroom setting but will also use scenarios to simulate more realistic environments and videos to enhance knowledge.

To earn a course completion certificate a student must pass a written exam with an 80% or better.

The program is based on the American Heart Association's First Aid course and uses their program manuals.

PET CPR and First Aid

The PET CPR/First Aid course is designed to enhance a student's knowledge. This course covers topics such as cardiac arrest, bleeding control, seizures, choking and heat and cold emergencies in animals of all types. The course also covers CPR using mouth to snout breathing and compressions only CPR.

The course requires a minimum of 4 hours of classroom time.

This course is lectured in a classroom setting but will also use scenarios to simulate more realistic environments and videos to enhance knowledge.

To earn a course completion certificate a student must pass a written exam with an 80% or better.

The program is based on American Safety And Health Institute's Pet CPR and First aid program and uses their material.

Bloodborne Pathogens

The Blood Borne Pathogens course is designed to enhance a student's knowledge. This course covers topics such as possible exposure to pathogens, how to clean BBP exposures and how to protect yourself from such exposure. The course requires a minimum of 1 hour of classroom time.

This course is lectured in a classroom setting but will also use scenarios to simulate more realistic environments and videos to enhance knowledge.

To earn a course completion certificate a student must pass a written exam with an 80% or better.

The program is based on the American Heart Association's Blood Borne Pathogens course and uses their program manuals.

AS A PROSPECTIVE STUDENT, YOU ARE ENCOURAGED TO REVIEW THIS CATALOG PRIOR TO SIGNING AN ENROLLMENT AGREEMENT. YOU ARE ALSO ENCOURAGED TO REVIEW THE SCHOOL PERFORMANCE FACT SHEET, WHICH MUST BE PROVIDED TO YOU PRIOR TO SIGNING AN ENROLLMENT AGREEMENT.

GOOD LUCK AND WELCOME TO CPR AND MORE's COURSE

I have received a copy of the school catalog that contains the rules, regulations, course completion requirements, and costs for the specific course in which I have enrolled.

I have read and understand this School Performance Fact Sheet. The School Performance Fact Sheet was reviewed and discussed with a school official prior to signing an enrollment agreement.

**SCHOOL PERFORMANCE FACT SHEET
2015 Calendar Year
EMERGENCY MEDICAL TECHNICIAN (EMT) COURSE
(five-week program)**

On-Time Completion Rates

Calendar year	Number of students who began the program ¹	Students available for graduation ²	Total number of graduates ³	Completion rate ⁴
2014	N/A*	N/A*	N/A*	N/A*
2015	N/A	N/A	N/A	N/A

¹"Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within reported calendar year.

²"Students Available for Graduation" is the number of students who began program minus the number of students who have died, been incarcerated, or been called to active duty.

³"Graduates" is the number of students who completed the program within the 100% of the program length.

⁴"Completion Rate" is the number of graduates divided by the number of students available for graduation.

*N/A – No information available for 2014. Program started 2015.

Students Completing After Published Length = 150% Completion Rate

Emergency Medical Technician (five-week program)

Calendar year	Number of students who began the program ¹	Students available for graduation ²	150% Graduates ³	150% completion rate ⁶
2014	N/A*	N/A*	N/A*	N/A*
2015	N/A	N/A	N/A	N/A

¹"Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within reported calendar year.

²"Students Available for Graduation" is the number of students who began program minus the number of students who have died, been incarcerated, or been called to active duty.

³"150% Graduates" is the number of students who completed within 101-150% of the program length.

*N/A – No information available for 2014. Program started 2015.

Placement Rates

Emergency Medical Technician (five-week program)

Calendar year	Number of students who began the program ¹	Number of graduates ²	Graduates available for employment ³	Graduates employed in the field ⁴	Placement rate employed in the field ⁵	Graduates employed in the field an average of less than 32 hours per week	Graduates employed in the field at least 32 hours per week
2014	N/A*	N/A*	N/A*	N/A*	N/A*	N/A*	N/A*
2015	N/A	N/A	N/A	N/A	N/A	N/A	N/A

¹"Number of Students Who Began Program" means the number of students who began the program who are scheduled to complete the program within reported calendar year.

²"Graduates" is the number of students who completed the program within the 100% of the program length.

³"Graduate available for employment" means the number of graduates minus the number of graduates unable for employment. "Graduates unavailable for employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.

⁴"Graduates employed in the field" means graduates who are gainfully employed in a single position for which the institution represents in the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment must begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program.

⁵"Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

*N/A – No information available for 2014. Program started 2015.
